Jared!

Hi. I just passed by your office. I had to run to a 3pm, but I am so sorry to have missed you.

I'll be back in two weeks, and I'll set something up with Abigail ahead of time.

I love SF! (You know I'm a native, right?!). Your staff took the liberty of walking me around the amazing history of your mother's art! Excited to learn more.

More soon,
Esther
